Developing an Individual Academic Profile

Offers for Postdoctoral Researchers

As a postdoctoral researcher within the University Alliance Ruhr (UA Ruhr), Ruhr-Universität Bochum (RUB), the TU Dortmund University (TUDo), and the University of Duisburg-Essen (UDE) jointly support you in taking your next career steps in research and beyond.

Our cross-university workshops and events under the umbrella of Research Academy Ruhr (RAR) help you to strengthen your research and management skills, to shape your individual career paths, and to network and exchange with experts and peers in your community.

All offers in our postdoctoral program promote early autonomy and your personal career planning. They are aimed at postdocs at all career levels and from all disciplines.

About Research Academy Ruhr

The RAR is the cross-university platform for promoting early career researchers within the UA Ruhr. RUB Research School, the Graduate Center of TUDo and Graduate Center Plus at UDE join forces to offer advanced Master’s students, doctoral and postdoctoral researchers as well as Junior Faculty manifold qualification and guidance programs.
